

DIPLOMA IN ETHICS

The Program

The Departments of Philosophy and Religion offer a Diploma Program in Ethics. The program is designed to provide qualified teachers with specialist competency in ethics for teaching in high-schools. It is particularly suited for teaching in the general area of moral education.

Admission Requirements

Entry into the program requires a Bachelor's degree from a recognized university and a teaching certificate or evidence of equivalent qualifications. Where necessary, candidates lacking an appropriate pattern of undergraduate work, particularly in ethics, will be required to make up these courses as qualifying students.

Requirements for the Diploma

A fully qualified candidate is required to complete a minimum of 33 credits. The program comprises five two-term (6-credit) courses, or their equivalent in one-term (3-credit) courses. All students are required to pass a comprehensive examination (3-credits). All individual programs must have the approval of the program director.
